**Western Electric
Portable Sewing Machine**

In designing this wonderfully compact machine every disadvantage of the old-fashioned sewing machine was thrown aside. You don't have to pedal it—a pressure on the foot control starts the motor, regulates the speed and stops motor instantly. You can sew all day without tiring—and at a cost of about one-half cent an hour for current.

It is never in the way, for it can be put on the dress-shirt when not in use. You can use it whenever there is an electric light socket. In its essential parts it is a full-sized, big-boy sewing machine, capable of as fine work as any machine. And the cost is less than that of most any of the well-known makes of home-power machines.

New Moon or New Moon Festival

New Moon

Numbers 10:10

“Also at your times of rejoicing, your appointed feasts and New Moon Festivals....”

New Moon

Numbers 28:11

“On the first of every month, present to the Lord a burnt offering of two young bulls, one ram and seven male lambs a year old, all without defect.”

New Moon Isaiah 1:13-14

“Stop bringing meaningless offerings! Your incense is detestable to me. New Moons, Sabbaths and convocations - I cannot bear your worthless assemblies. Your New Moon feasts and your appointed festivals I hate them with all my being. They have become a burden to me; I am weary of bearing them.”

New Moon

Colossians 2:16-17

“Therefore do not let anyone judge you by what you eat or drink, or with regard to a religious festival, a New Moon celebration or a Sabbath day. These are a shadow of the things that were to come; the reality, however, is found in Christ.”
