

## **Pioneer Christian Fellowship 2021 Year End Trustee's Report**

The Trustees would like to start this report by thanking all of you for being so faithful in your giving during the trying times of the past couple years. Over the past year most of our approved expenditures were put towards support of the Church services, presentation equipment, and maintenance items. The trustees approved the purchase of a tent that was used for the outside summer services instead of renting like we did the year before. New Led lighting was approved to replace the current aging lights that were in use. We also worked with the leadership team to be ready to present the plan for updating the current playground, along with the proposal to fund the upgraded bathrooms at Buffalo Adult & Teen Challenge. With that great support that you have provided, PCF was able to bless our Pastors and administration staff this year after navigating uncertain waters last year. We believe that 2022 will be the year to listen for God's word on where PCF could reach out to help people and organizations that could benefit from his unfailing love, grace, and provision.

Trustee report for 2021 respectfully submitted,

Lee Ameis  
Mike Bookmiller  
Floyd Brauen
