

Elders Report 2021

This has been a year still under the influences of Covid but God has been wonderfully faithful to us in so many ways. (Ephesians 1:3) Getting back to some semblance of normal has been great.

As Elders we have the privilege of working along side two great groups of leaders, our three pastors and our three trustees. Much of our time is spent with them as we strive to hear Gods voice and direction for the PCF family.

Highlights :

*A favorite is our participation in the annual baptisms at Bob & Sue Schiefer's pond.

*We team taught again for this years membership class "Home".

* Each of us are also involved in various PCF Care Groups that meet throughout the week.

Although we are involved with various ministries, our primary role is to assist the Pastors in caring for the PCF family. This is important because you are important. Praying for you is important. Please do not hesitate to call on any one of us, if you have a need or concern we can help with.

God is goodall the time!
