Starting this new year Margaret E. will be reviewing once again Celebrate Recovery protocols with leadership. A training session will be held on how to facilitate a step study and how to facilitate an open group. She will also be covering protocols on mental health issues, how to approach someone speaking of suicide, and gender issues. Margaret hopes to assist leaders in understanding how to handle mental health issues if and when they arise.

Due to the growth in numbers at the Celebrate Recovery meetings, it was decided to implement the protocol recommended by Celebrate Recovery's head office. This was using the T.E.A.M. acronym for coaches so responsibilities are better distributed. Training Coach (T) is Margaret E., Encouragement Coaches (E) are Rob R. and Marcella R., Assimilation Coaches (A) are Paula B. and Bonnie B., and Ministry Coach (M) is Margaret E. This T.E.A.M. approach has been working smoothly.

February 20, 2024 is the next leadership meeting at 6:00 pm at Pioneer Christian Fellowship.

Respectively submitted,  
Margaret E., Ministry Leader  
Paula B., Assimilation Coach
